THE BIG SKY

This award-winning design features a grand staircase that leads to a lofted walkway, plus a greatroom with a two-story window at either end. It has two double fireplaces and a spacious kitchen. Inside the garage door is a second stairway leading to an upstairs that includes a master bedroom with walk-in closets and its own fireplace. Across the bridge/walkway are four more large bedrooms, plus two bedrooms and laundry facilities.

TOTAL LIVING AREA: 6,076 SQUARE FEET + LOWER LEVEL
